The organisers would like to thank all those volunteers who were involved in helping to make this event the success it turned out to be. It was a real team effort and the day went extremely smoothly. Also, many thanks to the staff at The New Inn for their accommodation and generosity.

Just short of £800 was raised on the door plus a generous donation made by The New Inn. After some unavoidable costs involved in staging the event, £700 will be donated to St Abb's Lifeboat and other local causes.
