We offer a range of accountancy, bookkeeping, taxation and business development solutions primarily to hospitality and tourism businesses. However we are very happy to discuss the needs of all business local to the Coldingham area.

We do not charge for an initial consultation and obviously treat any conversations with complete confidentiality.

## Away from the office

We have both travelled extensively in Asia, Africa, Europe, central America, and of course Scotland.

Since moving to Coldingham we have both taken on voluntary positions within the community which we enjoy greatly. Elizabeth particularly has a passion for all things books and helps out at the community book shop on a regular basis.
