

## The Future of Coldingham Surgery Building Could be in Your Hands

The loss of our GP practice in Coldingham is a great disappointment to us all.

With this in mind, a Steering Group has been formed to look at the feasibility of bringing back much needed services to our community and potentially add more!

Your opinion is vital to establish what our local community wants.

This questionnaire is to gather your thoughts and we would be very grateful if you could take a few minutes to complete this form.

It will give us a place to start, something to build on, tell us what you think of the idea of a Wellness Centre?

**You do not** need to have been a patient, as the **Wellness Centre would be open to everyone!**

### 1) Please state which community you live in
